Subject: U.S. Patent Appln. of Fanto et al
Serial No. 09/816,317
Our Ref: 2818-96

Dear Examiner Barts:

I refer to the Notice of Abandonment mailed July 13, 2002 (paper no. 5) indicating no response was filed to the restriction requirement in the Official Action of December 7, 2001 and that this application is considered to be abandoned.

In fact, on December 19, 2001 I did file what I then considered to be a full and complete Response to your Action. In looking at my file copy of the paper filed on December 19th I note the relevant identifiers are on the paper including your name, your Art Unit and the filing date. However, through inadvertence the serial number used was that for the parent application not this application. The error seems to be the reason why you did not receive a response to your Action.

I enclose a copy of the Response filed December 19, 2001, a fee calculation cover sheet and a copy of the post card receipt showing the date of filing.

Please would you consider this with your colleagues and accept this Response or take any other action you deem appropriate to rectify this serial number error.

Very truly yours,

NIXON & VANDERHYE P.C.
